Roses Plant List 2024

This plant list is correct as at February 2024. Please remember that not all plants will be available during the season and/or on the day of your visit.

C Continuous	R repeat flowering
H Suitable for hedging	S summer flowering
NW grows on north wall	Sh tolerates shade
P tolerates poor soil	T suitable to grow in to a tree

Climbers and Ramblers

Climbing v Rambling:

Climbing roses form a frame and you prune back to the frame each year;

Ramblers scramble over a fence or pergola and you prune by taking out whole old stems, leaving the new growth to take over.

Climbers and Ramblers

Variety Name	Colour	Height	Scent	Notes	
Albertine	Rambler	Pale pink	4.5m	Strong
